Go to page 2

**Include the following materials with your completed application page:
(Please submit your completed application and requested materials in an 8 ½" x 11" manila envelope.)**

- 1. Official OU Transcript (obtained from the Office of Academic Records, Room 330 Buchanan Hall), -and- Official Transcript(s) from any other universities or colleges attended.**
- 2. Print out of your current enrollment.**
- 3. Typed list of only major studios and grades received (separate from transcript).**
- 4. Three copies of a concise statement of response to the following:**
 - a. The selection committee is interested in knowing your philosophy of interior architectural design. Using examples from your submitted work, demonstrate the integration of interior design and architecture.**
 - b. How does your work define excellence related to interior architectural design?**
 - c. In what special way does your work represent the thinking of Patricia L. Eidson and her view of interior design? What other designers share this perspective?**
 - d. How will the Eidson Scholarship Award assist you in achieving your career objectives? How will you utilize the award?**
 - e. How do your postgraduate plans reflect a continuance of the relationship between interior design and architecture?**
 - f. Make a realistic, yet creative proposal directed at strengthening the relationship between interior design and architecture that you would consider implementing next year.**

NOTE: Please prepare the following:

***Each applicant will arrange for display and exhibition of their work in Gould Gallery (3-5 design projects) which strongly demonstrate the interrelationship between interior design and architecture.**

(Work must be from established course offerings (including independent study or directed readings) sponsored by OU faculty member(s).)

***A personal interview with the committee will be scheduled for each applicant. The interview will provide an opportunity for in-depth discussion of the candidate's ideas as well as an opportunity for the committee to gain an expanded understanding of the candidate's application materials.**

Award Requirements:

If selected as an Eidson Scholar, the recipient is required to submit a signed, written report (two copies) addressed to the Eidson Scholarship Committee, detailing how funds will actually be utilized prior to receipt of monies from the OU Foundation.
